### LOCAL BUSINESS ACQUIRES NEW FACTORY AND ADJACENT LAND TO CONTINUE EXPANSION PLANS AND CREATE MORE JOBS IN CHIPPENHAM

#### Fascia Graphics acquires new factory to incorporate new printing line and achieve expansion goals

Just over ten years after Chippenham based, Fascia Graphics was established, the company has announced that it has acquired a new factory on the Bath Road Industrial Estate for £500,000. The company is moving from Bumpers Farm to support its expansion plans, which will see the development of a new £100,000 printing line, expected to create a further ten jobs for the area.

Since it was established in 1994, the company has grown rapidly, increasing its turnover from £165,000 and five staff in its first year to £2.1million and 50 staff in 2004, a 15 per cent increase in turnover from 2003. The company is now one of the UK's leading suppliers of screen printed labels, membrane keyboards and graphic overlays.

In addition to the 12,000 sq ft factory, Fascia Graphics has also acquired 0.6 acres of land adjacent to the factory. The company plans to develop the land by building an additional factory, which will house a state of the art automated line, assisting the company to further its competitive advantage. Fascia Graphics has over 500 clients, including well-known West Country based companies; Westinghouse, ARJO, Linpak, Group 4 and Smiths Medical.

Paul Bennett, Founder and Managing Director of Fascia Graphics Limited commented:  
“This is a significant move for Fascia Graphics. We have grown steadily over the last ten years on the Bumpers Farm site, taking additional units as and when we needed them. But, the new property on the Bath Road Industrial Estate not only allows us to expand the company rapidly, it also allows us to develop the adjacent land.”

David Miller, Associate at Alder King’s Swindon office commented:  
“This purchase demonstrates the continuing strong demand from owner occupiers to buy business premises. There is a recognised shortage of premises for purchase in Wiltshire generally and in Chippenham in particular and a sale of the building and land was agreed shortly after we were instructed to sell the property”

Paul Bennett, concluded:  
“The move from Bumpers Farm will take place gradually over the next three months, department by department, to ensure that there is no disruption in our service to clients.”
